The Weather

The high yesterday 88° This morning's low 73°

Today: Partly sunny skies with clearing and a 20% chance of showers this morning. The high temperature will be near 86°. Winds will be SW at 10-15 mph shifting W-NW this afternoon. Winds could gust to 35 mph.

Tonight: Mostly clear and the low temperature will dip to near 45°. Winds will be N-NW at 5-15 mph shifting E-NE overnight. Wind could gust as high as 25 mph.

Thursday: Sunny skies with a high near 82°. Winds will become SE at 5-10 mph with possible gusts of 20 mph.

Thursday Night: Mostly clear with a low near 56°. Winds will be SE at 5-15 mph gusting to 20 mph.

Friday: Skies will be mostly sunny with the temperature topping out near 88°. Wind will be from the S at 5-15 mph and could gust as high as 25 mph.

Friday Night: Mostly cloudy skies and a low near 65°. Winds will be S at 10-15 mph with possible gusts of 20 mph.

The Badgers Do It Again!!

The Badgers Hosted District leader Stephenville tonight and came away with a big win! Jonas Andersen Was on the mound for the Badgers and threw 6 and 2/3rd strong innings. He gave up 7 hits and total 6 K's and worked his way out of a bases loaded jam late in the game. Ryu Maldonado came on in the 7th to close out the Badger Victory. Tak Stinnett and Rawlin Smith led the badgers with 2 and 3 hits respectively. Elijah Calderon had a good night bringing in 3 runs for us and playing solid behind the plate. Dax Brookreson, Nate Borchardt and Aden Rascoe also had hits on the night. This brings the badgers to 4-5 in district and a 3rd place standing.

The JV dealt with a rain delay that cut the game time short. Other than a rough first inning they Played solid defense behind Pitcher Jackson Wright but eventually lost 10-0.

The Lady Badger Softball team was down 6-5 in the top of the seventh inning when Alycia Cantu homered on a 1-0 count, scoring two runs. The ladies went ahead of Brownwood 8-6 and held Brownwood to a scoreless bottom of the 7th inning to capture the win.

Wakeman started on the mound and allowed 4 hits and 5 runs in 2 2/3 innings. Sanguinet came in and pitched 4.2 innings and allowed 5 hits, 1 run and 4 strike outs.

The ladies totaled 15 hits with Kothmann and Cantu bringing in 3 hits each. Hunter and Cantu each had 2 RBI's.

The ladies host Stephenville tomorrow night for seniors night. Their regular season will be rounded out with a game in Glen Rose Tuesday the 19th.

Lampasas ISD School Board to Meet

The Lampasas ISD School Board will have a special called board meeting at the Lampasas Middle School Cafeteria this evening at 6pm. This meeting is to hear an informational presentation about a potential solar farm development. The presentation will be provided by a 3rd party consulting firm, specializing in school finance, and not the solar farm company. The public is welcome to attend and there will be an open forum for those wishing to voice their input. No vote will be taken at this meeting.

Also on the agenda will be resignation of professional personnel and selection of professional personnel as well as the Superintendent's authority to hire professional personnel from April 14th through August 31, 2022.

Lampasas FFA Plant Sale

The Lampasas High School FFA Greenhouse class will be having their first plant sale today and tomorrow. You should see that these kids have done! There are succulents, and flowers, some vegetable seedlings and much more.

There will be plants available for .50 cents, \$2, \$5, \$8 and different prices for the mixed planters.

Ms. Edwards, the Greenhouse teacher wanted to incorporate as many students as she could into this project, and the Ag Mechanics class built 10 wooden planter boxes for the class.

The hours are all day today until 7pm for Lampasas ISD Staff only. The public may shop tomorrow from 3:30-7.

Kindergarten Round-Up

It's that time again. Time to round up all the 4 & 5 year olds and bring them to the Lampasas ISD Kindergarten Round Up on April 20th at Hanna Springs Elementary, Kline Whitis Elementary, or Taylor Creek Elementary. *(cont'd on back)*

Lone Star Healthy Streams Workshop

The Lampasas River Watershed Partnership will host a Lone Star Healthy Streams workshop on April 19 at the Lampasas County Annex Conference Room at 409 S. Pecan St., Suite 102, Lampasas. This event will address livestock and feral hog contamination of the watershed and minimization techniques in Killeen will focus on the Lampasas River.

The workshop is a joint effort with Texas A&M AgriLife Research and Texas A&M AgriLife Extension Service. The free program will run from 9am-1pm, with light refreshments provided by Hill Country SWCD #534. Preregistration is required at tx.ag/LSHSLampasas22 or by calling the AgriLife Extension office in Lampasas County at 512-556-8271.

The program will focus on the Lampasas River watershed and will discuss basic watershed function, water quality and specific best management practices that can be implemented to help minimize bacterial contamination originating from livestock and feral hogs. Two Texas Department of Agriculture continuing education credits for pesticide applicators are available in the integrated pest management category.

Voluntary implementation of best management practices that address pollutant contributions from livestock and feral hogs was identified by the Lampasas River Watershed Partnership as a way for landowners to help improve water quality in the watershed.

The Lampasas River Watershed Partnership, facilitated by AgriLife Research – Temple and the Texas State Soil and Water Conservation Board, is comprised of area residents and other stakeholders from across the watershed.

The watershed includes parts of Bell, Burnet, Coryell, Hamilton, Lampasas, Mills and Williamson counties. More information on this project will be presented at the workshop.

"The goal of the Lone Star Healthy Streams program is to educate Texas livestock producers and landowners about how to best protect Texas waterways from bacterial contamination associated with beef cattle, sheep, goats and feral hogs," said Leanne Wiley, AgriLife Extension program specialist and Lone Star Healthy Streams instructor, Bryan-College Station.
