## City Fire Marshall

### Implements Burn Ban

The City of Lampasas Fire Marshal, JP Harris, has implemented a *citywide* burn ban effective for 90 days beginning yesterday and expiring on October 20<sup>th</sup>.

Outdoor burning within the City of Lampasas will no longer be allowed and the issuance of burn permits will cease.

Campfires and cooking fires are allowed. Fires of this nature should be constructed in a nonflammable container. A 55-gallon barrel with a metal screen over the top is acceptable. Residents are advised to wet the area around where the fire will be, *always* keep a hose nearby and if you don't have to burn, then don't.

Local fire departments advise residents to use extreme caution when conducting work related activities such as welding, metal grinding, and to be aware that lawn equipment or a chain on a trailer can spark a fire in these conditions.

When the fire danger is "Very High", (*Lampasas is currently experiencing 'very high' fire conditions*), fires will start easily and will spread rapidly with a quick increase in intensity. Small fires can quickly become larger fires. These fires are difficult to bring under control and will often become larger, longer-lasting fires.

Lampasas County at this time does *not* have a county-wide burn ban. County Commissioners have this on their agenda for their meeting on Monday July 24<sup>th</sup>.

In the meantime *use extreme caution!*

(The Lampasas Volunteer Fire Department is looking for volunteers. If you are interested, please contact [lampasasvolfire@gmail.com](mailto:lampasasvolfire@gmail.com) or call 254.577.1560)

## Extreme Heat Continues

Yesterday Lampasas saw its 22nd triple digit day this year when the temperature reached 103° yesterday. July 20<sup>th</sup> was the 12<sup>th</sup> consecutive day of 100° heat. We may see an end to the triple digit days this weekend as the high Saturday may not reach 100°.

If residents are having difficulty with utility bills, they can contact the Lampasas Senior Center at 512.556.2550 or stop by at 901 S. Live Oak and talk to the staff between 9am and 4pm.

As of this morning, Stillhouse Hollow Lake is at 606.74 feet elevation. If the water level reaches 606 feet elevation Kempner Water will implement stage IV water restrictions on their customers. Kempner Water states that when the water level reaches 605 feet elevation water production at the Kempner Water plant will slow down and at 604 feet elevation, water production will stop.

# The Blotter

**The Lampasas Police Dept. Blotter** for Thursday shows a minor accident in the 1900 block of 183S at 6:08am. At 8:49am, a 27 year old Lampasas woman was arrested in the 1500 block of S. Key Ave. for possession of drug paraphernalia. There was a reported disturbance in the 200 block of W. Ave E at 10:42am. The afternoon shows the arrest of Branden Tengler, 31, of Lampasas in the 500 block of S. Hackberry at 12:02pm on a Lampasas County Sheriff's Office warrant for motion to adjudicate (possession of a controlled substance PG1 less than 4 grams) and possession of drug paraphernalia. A 31 year old Lampasas resident was arrested in the 300 block of E. 4<sup>th</sup> St. on 2 Lampasas Municipal Court Warrants (public intoxication and failure to appear) at 8:48pm. There was a report of criminal mischief on Hillcrest St. at 9:14pm.

**The Lampasas County Sheriff's Dept.** blotter for Thursday shows Lometa with medical calls and a utility problem. In Kempner there were animal issues, medical calls, an alarm call and reports of suspicious activity. Out in the county there were medical calls, an unattended death and warrants were served. Deputies went into Cove on a reported theft, animal issues and medical calls.

**The Jail Log** shows the arrest of Kelly Bender, 37, of Lampasas on a probation violation. Also arrested was 47 year old Jennifer Gorecki of Lampasas for possession of marijuana less than 2 oz. in a drug free zone and possession of a controlled substance PG2, 4-400 grams. Zayda Gorecki, 19, of Lampasas was arrested for possession of marijuana 4 oz.-5 lbs in a drug free zone, possession of a controlled substance PG1, 1-4 grams, possession of a controlled substance PG2, 1-4 grams, and possession of a controlled substance PG2, 4-400 grams.

## TxDOT Open House Next Week

TxDOT will be having local meetings concerning the construction on 281 between Lampasas and Evant.

TxDOT wants to widen US 281 between US 183 (Lampasas) and Live Oak Street (Evant) with two additional travel lanes for a total of four lanes, Improve safety by separating traffic with a grassy median, and add paved median crossovers along US 281 to facilitate access to and from both sides of the highway. However, a narrower roadway section may be considered at specific locations with significant existing constraints.

The purpose of the project is to improve mobility by constructing additional travel lanes and increase safety by bringing the roadway up to current design standards, separating northbound and southbound travel lanes with a grassy median and upgrading other safety treatments (guard rail, sloped culvert end treatments, wide shoulders, etc.). The project spans approximately 28 miles and will acquire additional right of way adjacent to the existing corridor (acreage to be determined pending final design); displacements may also be required but have not yet been identified.

The Lampasas meeting will be July 25th at New Covenant Church 1604 Central Texas Expressway from 5:30-7:30pm. The Evant meeting will be July 27th at the Evant ISD Cafeteria at 339 Memory Lane from 5:30-7:30pm
