Water Main Break Update

Local residents may wake up and have no water this morning.

According to the City of Lampasas website, as of last night, the contractor for Kempner Water is progressing with the repair, but there was no definitive time for completion. They shared that they wanted to thank our community for continuing to conserve water and *please make sure your neighbors are aware of this on-going repair of our water system. In the event they have missed the recent communications over the past several days that have been posted to City social media and City website, please share this update with them.*

The City of Lampasas released information a little after 7pm last night that "many citizens could be without water, dependent upon how quickly the water line can be repaired tonight, as well as how quickly the water system equalization and recharge process progresses."

The City of Lampasas will have a water station operational, on the 800 Block of 4th Street between Elm Street and Hackberry Street, to assist those in our community with needs, providing a non-potable fill station for containers that hold water and bottled drinking water. We would ask citizens to access the water station from Elm Street and exit on 4th Street. There will be barricades to guide all drivers through this area. The Water Station will be operational from 7:00 AM to 7:00 PM beginning this morning.

The City pools will remain operational throughout this weekend, as filling of the pool is not currently required to maintain operation. Please be aware, bathroom facilities within the pool area will be closed, however porta-pottys will be onsite and available.

Kempner Water Supply Corporation (KWSC) released the following information yesterday:

"For those of you in need of water, there is a water trailer parked at the Kempner Volunteer Fire Department on Pecan in Kempner. Bring a container to fill. They also have bottled water there for drinking water. There is another site behind the courthouse in Lampasas for your convenience." Also, "The Copperas Cove Public Library is offering all KWSC members access to potable water at 501 S Main St. during daylight hours in the designated area of the parking lot. The water will be accessible by water hose to any who need it".

WELCOME!

Tax-Free Weekend

Texas Comptroller Glenn Hegar is reminding shoppers they can save money on clothes and school supplies during the state's sales tax holiday on Friday, Saturday and Sunday, Aug. 11-13. State law exempts sales tax on qualified items — such as clothing, footwear, school supplies and backpacks — priced below \$100, saving shoppers about \$8 on every \$100 they spend. The Comptroller's office estimates that shoppers will save \$136 million in state and local sales tax during this sales tax holiday.
