What's Goin' on?

The Badger Varsity Football Team hosts the Brownwood Lions tonight with kickoff tonight at 7:30pm.

The Badgers this year didn't see too many from the offense graduating, but the defense had to be reworked a bit.

At quarterback, of course, is Ace Whitehead. Receivers include Lane Havilland and Michael Murray. On defense is Keegan Richardson, Cade White, Dax Brookreson, Case Brister and Owen Seaver. Add Jack Jerome at running back and the experience the Badgers had last year, and it may be a winning combination.

MASKS ARE REQUIRED! Please observe social distancing. Concessions will not be available for this event.

For those who can't get to the game:

Listen to the play-by-play action on Lampasas Radio's KACQ 101.9fm for audio with Darrell and Kenny.

And every Home Varsity Football Game, will be streamed until further notice.

Trooper Talk

This morning in Lampasas Radio Studios,

Sgt. Bryan Washko, head of Safety Education for this area. was on the air with Ken Gontarek.

They discussed a myriad of subjects, beginning with Hurricane Laura and how Texas dodged a bullet, with less damage than expected.

They discussed the ongoing problem of sex trafficking, and the incident in Cisco where a woman who had been kidnapped in El Paso jumped from an 18-wheeler on I-20 near a truck stop. She also reported that there was another woman in the truck and the men had indicated they would use the women for sex trafficking. There is a statewide alert for the tractor-trailer, a green truck tractor with a white stripe and pulling a white box type trailer. The truck is occupied by two Cuban males and a Caucasian male. If you see what may be this vehicle, call 911 or the Cisco Police Dept. at 254-629-1728. Stay alert, Sgt. Washko said, because 281 is a thoroughfare from Mexico.

Be aware of your surroundings, and he said 'If it doesn't look right, it probably isn't.

Sgt. Washko asked that we pay attention to amber alerts.

Texas has 22,000,000 registered vehicles, and there are 9 or 10 fatalities a day in traffic accidents. The major factor is distracted driving. Studies show that you are 20 times more likely to have an accident if you are texting, than if you are driving drunk.

(DWI's are way down, due to the pandemic.

The other issue is people still don't use their seat belts, and child safety seats.

And he asked that we keep an eye out for school buses.

Coronavirus Update

Yesterday, the Board of Trustees of the Lometa School District held a special meeting in Lometa. Among other discussions, a public hearing was held on the budget and tax rate. Badger Sports

Badger Sub-Varsity Falls to Brownwood

According to Coach Reeves the Badger Freshmen lost their first game 17-6. Scoring for the Badgers was Brock Langford. Several players including Keyton Johns and Levi Rivera played well on defense.

Coach Cleavinger said the JV played a hard fought game last night in Brownwood. The score was 0-14 after 1 quarter of play. In the 2nd quarter Jose Parra forced a fumble on a punt return recovered by Carson Bekker to give the Badgers great field position on the Lions 28 yard line. Five plays later Dylan Sanchez and Carson Bekker connected for a 9 yard touchdown pass to put the Badgers on the board with Hank Kielpinski kicking the point after. It was 7-21 at halftime. Cole Cowdrey had a blocked point after in the 3rd quarter scooped up by Jose Parra, only to be brought down shortly after. It was 7-41 at the end of the 3rd. In the 4th quarter the Badgers were able to capitalize on a bad snap, which Kaeson Raub recovered at midfield. On the next drive, Dylan Sanchez found Carson Bekker again for a 29 yard score making it 13-41, which would end up being the final score.
