In Lampasas Radio Studios

This morning the Assistant City Manager of Lampasas **Ryan Ward** visited Lampasas Radio studios to visit with Ronnie Witcher about goings on in the city.

They spoke briefly about the Public Hearing tonight (see story). Mr. Ward stated that the city is trying to keep the tax rate down but the property appraisals have increased so residents will see an effective tax increase.

The Assistant City Manager shared that employees of the City of Lampasas are in line to get a 4% pay increase this year, there will be salary adjustments and the city is looking at hiring a few more full time employees.

Mr. Ward spoke about the progress in the Wayfinding Sign n project (which helps visitors to our city find their way around), as well as taking care of substandard structures in the city. They are also looking at adopting an ordinance to place a 4-way stop sign at 4th & Spring St. There has been an ongoing study into the drainage in the Skyview area and the city is applying for a grant to address this so that the drainage impact on residents is decreased.

He stresses that if a resident has a concern about something in the city, to please contact City Hall and share that concern.
